

ZEGA Design Group Questionnaire for Clients

1. Is it better to have our data in category sets like myPeg, or is it better to categorize it under SDG?
2. For Regina 6, would it be a good idea to have it link to one of the 17 SDGs, or is it better to navigate to an independent/new page?

Home Page

1. If we resort to going on without a wheel on the homepage, what would you prefer we change it to while keeping the page simple and postable?
2. What minimum essential information should be on a home page like this? Is this amount good enough or should we add more?

About Page

1. Do you like the accordion, or should it be a different format?
3. Were there any details you expected to find on the About page that you didn't find?

Question All SDG page

1. For all SDG pages do we need to put generalized data or do we need to make the data focus on Regina?
2. Would they like a sidebar for all the SDGs to access the rest of the SDGs?

Charts and Graphs Page

1. How do you like the layout of the charts gallery? Did you find it to be a nice addition to the site?

More general questions

1. What is the theme of the site? Do the colours/theme make sense?
